

AIR CURTAINS

QE Air Curtains are ideal, easy to install, and functional units for your door/entrance. This is a low maintenance product which reduces energy consumption and costs. Each curtain can be used at door heights of up to 9 feet and include a metal powder coated finish which is corrosion resistant. Excellent way to minimize dirt, dust, fumes, and prevent flying insects from intruding. Each unit includes a remote control, 3 speed natural wind, is individually packaged, and boxed.

Model	Size	Voltaje	Frequency	Watts	Air Flow (M3/H)	CFM	Noise Db(A)
QAC-36-1	36"	115	60 Hz	180	960-1120	659	55-57
QAC-36-2	36"	220-240	50/60 Hz	180	960-1120	659	55-57
QAC-48-1	48"	115	60 Hz	200	1200-1750	1030	56-58
QAC-48-2	48"	220-240	50/60 Hz	200	1200-1750	1030	56-58
QAC-60-1	60"	115	60 Hz	220	1500-2180	1283	57-59
