

The new degree of comfort.™

Air | **Air Handlers
RH1P**

COMFORTABLY

QUIET AND EFFICIENT

Designed to custom-fit your needs, the **Rheem RH1P Air Handler** provides you with quiet operation and humidity control while also delivering energy savings. **Now you can rest easy.**

RH1P Series

Reduce Energy Bills

Reducing monthly energy bills is easier than ever with the Rheem RH1P Air Handler. The unit is designed to exceed minimum efficiency standards – delivering savings every time it is in use.

Benefit-Packed Operation

Rheem RH1P Series Air Handlers are convertible for various system requirements.

Their compact design and sound control elements help ensure that they operate both unobtrusively and efficiently.

Guaranteed Reliability

Built with pride, our quality construction delivers quiet operation and long-lasting, reliable performance, all backed by a 10-year conditional parts warranty.

INTEGRATED HOME COMFORT

Rheem.com

We Thought of Everything... And Then Some.

The Rheem Air Handlers were developed using our 360°+1 design philosophy, which means every detail of the product is meticulously evaluated from every angle. We consider the work that goes into installing and servicing our products, as well as how we can deliver the very best homeowner experience. And then we take it a step further. That's 360°+1. And that's why you can count on your Rheem Air Handler to bring you and your family years of comfort.

Enjoy the Benefits of Guaranteed Comfort

At Rheem, we understand the needs of everyday living, which is why the Rheem RH1P Air Handler was designed to guarantee homeowners like you efficient performance with improved energy savings and greater comfort.

Flexible Performance The Rheem RH1P Series Air Handler is designed to meet the needs of a variety of systems. Your Contractor will recommend a unit that will best meet your home's airflow needs.

Humidity Control The air handler manages humidity levels in the home, improving your comfort and helping you save money on energy bills.

Efficient Heating & Cooling Rheem Air Handlers are designed for performance, exceeding standard efficiency requirements. And, they use the most common refrigerant on the market today. The **1 factory-installed indoor aluminum cooling coil** is the key component for your air handler. The coil is essential to humidity control and improved system performance, and the high-quality standards used in manufacturing result in fewer maintenance calls.

Enjoy Long-Lasting Quality and Comfort

Quiet Operation Rheem RH1P Air Handlers are designed with a **2 sturdy steel cabinet**, **3 one inch of foil-faced insulation**, and excellent thermal and sound insulation.

Versatile Design The 4-way convertible design of Rheem Air Handlers allows them to fit in with the design of your home. They feature the most compact design available, occupying a minimal amount of space in your closet, attic or basement.

Optional Electric Heat When a heat pump is paired with the unit, Rheem Air Handlers can also provide efficient heating for your home. An optional electric heater kit can be added to keep you cozy all winter long.

Easy Service Rheem Air Handlers have been engineered to provide your technician easy access to all internal components, helping any service time stay short and simple.

Rheem Quality The RH1P Air Handler features a new lanced fin design for maximum performance and increased efficiency. A new high-grade condensate drain pan keeps the unit operating smoothly, especially when the weather heats up. And the corrosion-resistant aluminum endplates keep your unit looking as good as it runs.
